From:	Donna Lennon	Date:	14 th November 2007
EMC Ref:	M070931		
Subject:	Class II Permissive Change – FCC ID: VQIFLAIKGSM-100		

Please receive this application for a Class II Permissive Change for FCC ID: VQIFLAIKGSM-100. The EUT is a location device.

The GSM module was originally certified by Wavecomm SA under FCC ID: O9EQ24PL003 (Grant Date: 12/04/2006). SnowSports Interactive has now certified this module under FCC ID: VQIFLAIKGSM-100 via a change in FCC ID.

This application is to request a Class II Permissive change to incorporate the use of a different antenna. The details of the new antenna (i.e. antenna type, gain, etc) are included in Appendix C – Antenna Details.

Specific Absorption Rate testing has been performed on this device (with new antenna) and results are shown in EMC Technologies' Test Report M070915 SnowSports SAR Report FCC.

The following files are presented for review:
Appendix A – Test sample external photos,
Appendix B – Test sample internal photos
Appendix C – Antenna Details
SAR Test Report (M070915 SnowSports SAR Report FCC)

FCC Forms: Form 731
Agent Authority
SnowSports Interactive request for Class II Permissive Change..

EMC Technologies Pty Ltd is acting as agent for SnowSports Interactive in this application.
